Subject: Delayed Release of FY 2027 HAC Reduction Program and HRRP HSRs

The Fiscal Year (FY) 2027 Hospital-Acquired Condition (HAC) Reduction Program and Hospital Readmissions Reduction Program Hospital-Specific Reports (HSRs) will be delayed and released in September. The Centers for Medicare & Medicaid Services (CMS) will notify hospitals when the FY 2027 HAC Reduction Program and Hospital Readmissions Reduction Program HSRs are available on the Hospital Quality Reporting (HQR) Secure Portal via the Hospital IQR Program and Hospital VBP, HAC & HRRP Listservs.

Following the release of the FY 2027 HAC Reduction Program and Hospital Readmissions Reduction Program HSRs, hospitals will have a **30-calendar day** Review and Correction period to review their results and submit questions about their calculations through the [QualityNet Question and Answer Tool](#). Additional information about the Review and Correction period is available on QualityNet for the [HAC Reduction Program](#) and [Hospital Readmissions Reduction Program](#).

Please do not respond directly to this email. For further assistance regarding the information contained in this message, please submit questions through the [QualityNet Question and Answer Tool](#).
